[2/12/2004 11:37:06 AM] [tinaSDtrader] a bargain hotto! Most here must admit they've lost more than that on one trade.
[2/12/2004 11:37:33 AM] [payck] yes, and hotto only spends 2 hours every night and 5 hours on saturday, and 15 hours here, if only we could hear more from him
[2/12/2004 11:37:36 AM] [hotto] or... Hopefully, "profited" more on one trade....D
[2/12/2004 11:38:09 AM] [tinaSDtrader] that's the glass half full way hotto - good thinking
[2/12/2004 11:38:26 AM] [hotto] LOL... I work for minimum wage.. pay..=D
[2/12/2004 11:38:54 AM] [payck] yes, I guess you do, in a way
[2/12/2004 11:39:31 AM] [tinaSDtrader] Good example of support - SGI came w/in 3cents of filling gap up today, that was also very near 50mas on 5s. Now just needs to hold and move up.
[2/12/2004 11:39:47 AM] [wjonass2] But think of the love we return =o
[2/12/2004 11:41:10 AM] [wildbill] SMH:):))

[2/12/2004 1:08:55 PM] [wildbill] hey how'd that SMH short range work out? -- nearing long range btw:)

[2/12/2004 1:10:45 PM] [hotto] NTOP.. OUT part at 7.20

[2/12/2004 1:12:59 PM] [wildbill] a little tidbit from this am's pre-market commentary "as for today's action if not for the fact that the S&P closing one point higher than the previous highs for the year (which was no coincidence by the way), a short at yesterday's close may have proved the way to go. As it is early weakness as shown by the futures should firm early following yesterdays' strong close, but I do not expect follow thru." chalk one up for the "sleepy" guy perhaps :)

[2/12/2004 1:14:10 PM] [payck] good call wb
