[2/22/2004 1:07:37 PM] [bravotrader] What are characteristics of G- stocks? (the guidance below the analysts' range? or?)
[2/22/2004 1:08:30 PM] [CaptJack] bravo...that is negative forward guidance by the co. officials...I believe
[2/22/2004 1:10:10 PM] [bravotrader] thx Capt. Is the guidance range overlapping or strictly below the current range?
[2/22/2004 1:14:22 PM] [CaptJack] bravo...I believe it is whenever the company gives guidance, but normally when they report earnings.
[2/22/2004 1:15:00 PM] [bravotrader] Tnx again Capt
