[2/15/2004 11:02:34 AM] [HOTTO] SkyDragon has replied to: Find A/D in TCNet
[2/15/2004 4:31:03 PM] [Howieeee] M
[2/15/2004 4:39:03 PM] [loftyB] .
[2/15/2004 5:44:11 PM] [Dreamengineer] .
[2/15/2004 7:34:59 PM] [w2jc] at this time, all the weekly Elliott Wave Analyzer chart sets have been updated at <http://www.elliottwaves.us> -- these include: Major Indexes, DJ-30 stocks, MG Sectors, SirPoolPlayer & Ycc & w2jc watchlists and 100+ stocks.
[2/15/2004 7:35:33 PM] [w2jc] oops... that's 1200+ stocks !
[2/15/2004 9:30:47 PM] [Rex] Is the websie down? I just draw a blank white screen. Never had trouble before. tnx.
[2/15/2004 9:31:24 PM] [RkyMtnFool] My experience, too.
[2/15/2004 9:32:17 PM] [husker] Website works for me
[2/15/2004 9:34:36 PM] [RkyMtnFool] www.hottoworks.com (Home) works for me, but other pages yield the blank white screen.
[2/15/2004 9:38:30 PM] [husker] Rky I'm able to get all of the pages up!
[2/15/2004 9:39:37 PM] [RkyMtnFool] Strange! I can get through the entire site in Netscape, but IE fails.
[2/15/2004 9:52:06 PM] [Odyssey] FWIW, Hottoworks seems to be working using Compuserve
[2/15/2004 9:56:10 PM] [tobydad] no prob here w/ hottoworks thru IE
[2/15/2004 9:59:31 PM] [RkyMtnFool] I may have upset Mr. Gates again. He seems to retaliate when I think ill of him. All I did was to consider shorting MSFT since it broke below 200sma.

ClubHome

[2/15/2004 10:01:01 PM] [Odyssey] Rky -- I can relate to that ... seems Mr. Bill always has a way to get you!

[2/15/2004 10:01:44 PM] [RkyMtnFool] Maybe I better buy a few shares instead. xP

[2/15/2004 10:01:57 PM] [gary12] xP

[2/15/2004 10:03:34 PM] [Borankin] When I hear criticism of Bill Gates I have to chuckle. Who, since Thomas Edison, has had such a positive significant impact on all of our lives?

[2/15/2004 10:05:04 PM] [RkyMtnFool] I do have to update light bulbs from time to time, BUT NOT WHEN THEY STILL ARE WORKING!

[2/15/2004 10:05:15 PM] [RkyMtnFool] ;)

[2/15/2004 10:05:40 PM] [Pookie] Borankin..Here!...Here!well said Sir Borankin...)

[2/15/2004 10:05:52 PM] [Odyssey] Not really criticism, just the reality of his impact ... sometimes things just don't work the way they're supposed to in the land of Windows.

[2/15/2004 10:06:04 PM] [Borankin] Thank you, Pookie. I accept the nomination.

[2/15/2004 10:06:18 PM] [Pookie] yw...\

[2/15/2004 10:07:13 PM] [Odyssey] Bor, you are correct ... it may even go back to the printing press

[2/15/2004 10:07:55 PM] [Borankin] As a CPA, I don't know where I'd be without Excel and Word.

[2/15/2004 10:08:32 PM] [Borankin] Sear, not in the United States.

[2/15/2004 10:09:06 PM] [RkyMtnFool] Okay, Bo, I give up.

[2/15/2004 10:09:36 PM] [Pookie] Borankin...one coconut...two
...coconut....three...coconut...four.....8

[2/15/2004 10:09:38 PM] [Borankin] Speaking of "up", it's time for me to update.

[2/15/2004 10:17:28 PM] [Borankin] What the hell is going on. I just updated and it's now all messed up. Somehow February 13 got chopped off.

[2/15/2004 10:17:47 PM] [RkyMtnFool] Billy did it!

[2/15/2004 10:18:32 PM] [Borankin] Seriously, anyone else having this problem?

[2/15/2004 10:18:35 PM] [Odyssey] Rky LOL:D

[2/15/2004 10:19:00 PM] [tobydad] no prob here, just updated.

[2/15/2004 10:19:19 PM] [Odyssey] Bor I updated about 10 ET -- no problem

[2/15/2004 10:20:20 PM] [Derfel] Bor, look back in the log -- Howieeee reported the same thing earlier.

[2/15/2004 10:20:40 PM] [tobydad] should say no prob except for the lousy outlook of things...wish the numbers were a tech problem!

[2/15/2004 10:32:58 PM] [RkyMtnFool] Hottoworks.com now working for me in IE also. Get logged off, and then was able to log back in. Sorry Mr. Gates, I take it all back.
