[3/25/2004 9:26:08 AM] [ttfssf] IDSA--my largest posn here--really looks nice
[3/25/2004 9:26:45 AM] [hotto] yes.. UBB needs testing....)
[3/25/2004 9:27:10 AM] [hotto] SMA20... then LR30... then UBB.... nice targets..
[3/25/2004 9:27:50 AM] [hotto] brbcoffee
[3/25/2004 9:28:52 AM] [BossFan] GRMN is my long pick today..great big bullish candle yesterday on strong volume
[3/25/2004 9:30:19 AM] [isay] some caution is required on IDSA as it's below the 20D and the LR30 channel, the 50D is a 16....
[3/25/2004 9:30:41 AM] [isay] 50D is at 17.4
[3/25/2004 9:31:05 AM] [BossFan] LTON!!!

[3/25/2004 9:45:03 AM] [hotto] DJIA has DBO today.. first one in 5 days...
[3/25/2004 9:45:22 AM] [wildbill] KOMG
[3/25/2004 9:46:09 AM] [swan] Hotto, does the very low vol. in DIA and QQQ
question this gap up, or wait and see where vol. is closer to lunch?
[3/25/2004 9:46:41 AM] [hotto] This is just the First bounce... today...tomorrow..
maybe to Monday...
[3/25/2004 9:46:55 AM] [wildbill] hit short range-what seems suspect to me is a large
volume spike @ 09:42 @ 17.75
[3/25/2004 9:47:03 AM] [hotto] This one can be low vol.. We just need the Prices to
get on the Charts..
[3/25/2004 9:47:38 AM] [Brooks5] CNBC announces an FBI alert to all Texas
Refineries....possible attacks
[3/25/2004 9:48:01 AM] [peach] think market is reacting to high alert on Texas oil
business

[3/25/2004 10:21:19 AM] [gary12] hotto you be doing good in my book, just keep it up
;):8
[3/25/2004 10:21:47 AM] [hotto] QQQ and TXN.. already took profits.. looking to
re-enter..
[3/25/2004 10:22:27 AM] [hotto] swan.. Yes.. That is what we expected...and
wanted... Sort of a Pos Divergence...
[3/25/2004 10:23:12 AM] [swan] so you're shorting DIA and long QQQ's?
[3/25/2004 10:23:27 AM] [hotto] Later.. expect DJIA to shake the tree some more..
Then.. we can see how much conviction the buyers have... OR - if just all daytraders.
[3/25/2004 10:24:17 AM] [hotto] swan.. yes... was Long QQQ... Now Short DIA...
Later .. may get Long Qs again..
[3/25/2004 10:25:25 AM] [Roly] Where would he world be without us Scalpers!=D
[3/25/2004 10:25:50 AM] [hotto] bravo.. steels.. are in pause now.. Excitement is in
the Tech snap-back... Steels will get more buying in a few days..
[3/25/2004 10:26:19 AM] [hotto] suggested by charts and Upward Guidance...
[3/25/2004 10:26:50 AM] [Brooks5] what happen to sync
[3/25/2004 10:26:59 AM] [hotto] SYNC.. added.. 2.84....THAT was my Buy point !

[3/25/2004 2:14:15 PM] [Pops] I remember when NT fell to 35 in early 2001 and he said to load up the truck "its a no brainer"
[3/25/2004 2:14:33 PM] [VJnet] from a no brainer, right pops
[3/25/2004 2:14:43 PM] [Pops] right
[3/25/2004 2:15:21 PM] [Pops] NT was cut in half two weeks later
[3/25/2004 2:15:22 PM] [hotto] WYE.. OUT.. break even.. may buy back.. if they get the volume up...
[3/25/2004 2:15:46 PM] [VJnet] probably after it popped enough for him to get out
[3/25/2004 2:18:27 PM] [Brooks5] I love this new feature on the scroll wheel...(tcnet)...wish they would get the 10 min. included

[3/25/2004 2:18:43 PM] [nan111] thx pay
[3/25/2004 2:18:45 PM] [Kuf] brooks5, it's in beta
[3/25/2004 2:18:47 PM] [payck] yw
[3/25/2004 2:19:01 PM] [Brooks5] So can we get it kuf
[3/25/2004 2:19:10 PM] [VJnet] thanks pay
[3/25/2004 2:19:22 PM] [Kuf] once the beta is finished
[3/25/2004 2:19:38 PM] [Brooks5] Oh ok...thanks
[3/25/2004 2:20:16 PM] [rickmrge] hotto are you going to hold ONNN overnight?
[3/25/2004 2:21:59 PM] [hotto] ONNN.. likely to hold.. Volume is good.. Peaked over LR30. looks like SMA50 next
[3/25/2004 2:22:19 PM] [rickmrge] ty... hotto
[3/25/2004 2:23:05 PM] [nan111] Gee, did we have a V1?
[3/25/2004 2:23:24 PM] [Brooks5] AV on the move up again
[3/25/2004 2:23:59 PM] [VJnet] RIMM could make a pretty nice short as it approaches the 50sma
[3/25/2004 2:24:31 PM] [VJnet] with a tight stop

[3/25/2004 4:11:16 PM] [tinaSDtrader] anyone have trouble logging into Interactive today? Had to go thru website, desktop shortcut not working.
[3/25/2004 4:11:45 PM] [tinaSDtrader] seems to coincide with latest TWS update
[3/25/2004 4:11:46 PM] [VJnet] no problems here tina...but had to update the software earlier today

ClubHome

[3/25/2004 4:12:01 PM] [tinaSDtrader] I updated this morning then couldn't log itn
[3/25/2004 4:12:25 PM] [JAHman] Tina, maybe they changed the link?
[3/25/2004 4:12:31 PM] [tinaSDtrader] still can't, and 35 mins now on holdm bummer!
[3/25/2004 4:12:50 PM] [tinaSDtrader] it's a conspiracy against me:o
[3/25/2004 4:12:52 PM] [VJnet] customer service is not their strong point
[3/25/2004 4:13:01 PM] [gary12] IB ok here
[3/25/2004 4:13:17 PM] [tinaSDtrader] yes, I'm not there for the C/S
[3/25/2004 4:13:47 PM] [tinaSDtrader] fortunately was able to trade still thru their online version
[3/25/2004 4:20:23 PM] [acmetrader] story stock small caps are still unloved, not seeing the same percentage games as *value* plays
[3/25/2004 4:21:33 PM] [Islander3] Tina..check Hotto Club log for yesterday at 8:07 a.m.....similar problem discussed with solution
[3/25/2004 4:22:59 PM] [JAHman] Tina, thanks for your suggestions regarding HD, last week. Can now update (with PCFs) in 120 seconds, instead of 20 minutes. Changing to XP was part of the fix. TY, TY, TY, TY.....
[3/25/2004 4:23:22 PM] [tinaSDtrader] yw JAH, what a difference huh!
[3/25/2004 4:24:06 PM] [tinaSDtrader] Just got off with IB, when downloaded this a.m. it disabled my old shortcut and put a new one on. Didn't see the new one. Had to kill the old one, use new one. Problem fixed. Happy now.:8
[3/25/2004 4:24:09 PM] [mace] ASKJ up 11%
[3/25/2004 4:24:15 PM] [JAHman] Came close to throwing my puter in the ditch, whew!!
[3/25/2004 4:24:17 PM] [VJnet] yes tina...you were an inspiration to me as well. and the wonderful folks in this club helped be download the charts
[3/25/2004 4:24:26 PM] [tinaSDtrader] That's why their call volume so hi today, others same problem.
[3/25/2004 4:24:54 PM] [tinaSDtrader] much inspiration in this club VJ, hotto and others always helpful. Plus lots of comraderie.
[3/25/2004 4:25:54 PM] [VJnet] yep...wonderful group
[3/25/2004 4:30:25 PM] [gmhill] Tina had the same problem Monday with IB. Had to uninstall and re install the workstation!
[3/25/2004 4:33:39 PM] [tinaSDtrader] gmhill - I only had to delete the old desktop icon and use the new one.
[3/25/2004 4:36:21 PM] [gmhill] Tina custmer service didn't have a clue. So I just re did the whole thing!
[3/25/2004 4:36:49 PM] [tinaSDtrader] bummer hill, it was an easy fix, the hold time was worst part of it
