[4/9/2004 10:53:53 AM] <Golfermary> Good morning Boss
[4/9/2004 10:59:07 AM] <BossFan> pretty quiet in here today...I might actually get some work done at work :)
[4/9/2004 11:00:55 AM] <Golfermary> Very quiet - have to catch up on yard work - way behind, soon as fog clears
[4/9/2004 11:05:08 AM] <cobralso> No fog here, you can come over here and do yard work.
[4/9/2004 11:09:05 AM] <Golfermary> No thanks! Nuf to do here for weekend (leaving time to watch Masters!)
[4/9/2004 11:18:38 AM] <Golfermary> Off to the weed wacker - bye
[4/9/2004 11:18:40 AM] <husker> Did a ton of yard work last night- sore back today. Be careful Mary the golfer

[4/9/2004 2:07:09 PM] <kennethroyal> Anyone care to compare Wednesday
[4/9/2004 2:10:38 PM] <kennethroyal> Sorry - compare Wed day closing QQQ, DIA, SPY vs HHH and say whether Wed charts predicted that HHH would be 5.93% up Thurs compared with (cf) others all down a little on Thurs
[4/9/2004 2:52:18 PM] <Harley> hey
[4/9/2004 3:46:07 PM] <kennethroyal> Anyone know whether can do any manipulations in LOGS, eg, Find discussion on IDDOHV (I know IDDOHV was

ClubHome

discussed in 5/10/03 LOG) - can always copy to MSWorks and do EDIT/Find but hazzle. Do LOGS respond to any shortcut keys - in this case, 'Find'?

[4/9/2004 3:48:12 PM] <sisterpractical> at top of logs window of club there is a search function for all logs of that club

[4/9/2004 3:49:42 PM] <gary12> your use Ctrl + F to search in Logs on that day

[4/9/2004 3:49:52 PM] <gary12> can

[4/9/2004 3:57:22 PM] <Kuf> 7you can also search all the log files, there is a search phrase option

[4/9/2004 3:57:38 PM] <Kuf> instead of giving it a date to use, type the search phrase underneath

[4/9/2004 3:57:43 PM] <kennethroyal> beautiful, Gary ... tks ... and sister and kuf

[4/9/2004 3:58:38 PM] <gary12> yw
